Kru Mariners who served on USS *Constitution* during the Africa Squadron, 1853-1855

This list of Kru mariners who served on USS *Constitution* during the Africa Squadron is drawn from the USS Constitution Museum's crew database. Most data comes from ship's muster lists. Some individual records are incomplete, and additional Kru are likely missing from the list due to gaps in the ship's record-keeping of Kru hires. The Museum will continue to update this list as new information becomes available.
