

Boston 28th October 1817
No. 35 — " — "

My dear Sir

By Consul Harris, I yesterday
received the cast of the Reverse of my
Medal, which appears to be well ex-
ecuted, but has one very material fault,
and which I trust you will think is
absolutely necessary to be altered. I mean
the Java flag to be struck. The flag
at present on the die shows that the ship
has not surrendered. I know that you
took too much interest in the Capture
of the Java to allow her flag to be kept
flying after so many hard knocks, which
old Ironsides gave her.

Very sincerely
Yours
Wm Bainbridge
